Keywords: (please provide two that relate to your abstract) _____

Short Statement of Need: _____

Application Procedures for Financial Aid Request

- Financial aid is NOT guaranteed and is dependent upon our ability to raise funds for this purpose. Applying does NOT guarantee receipt of funds. Award will waive the \$400 student registration fee. There is no funding available for travel, accommodation, or for any other purpose.
- In order to be considered for financial assistance, you MUST:
 - Complete this form and email it to iapb.beachy@danforthcenter.org. Legible faxed copies are also acceptable (+314-587-1964).
 - Provide proof of your current student status via a Xerox copy of your valid student identification card or a letter on institutional letterhead verifying your student status.
 - **Note to graduate students:** If you would like to submit an abstract for poster presentation, please include it along with your completed application form. Submission of a poster abstract is optional and not a criterion for consideration of funding.
- Awards will be given based on merit and need as determined by the Awards Committee. All available award funds will be shared among those who follow all instructions and meet all deadlines. There is no guarantee of receipt. Incomplete submissions will not be considered.
- This process is for financial aid request only. It does not mean you have registered for the Congress. Registering for the Congress is a separate process and, if awarded, you will be notified on how to proceed.

If you have any questions, email iapb.beachy@danforthcenter.org or call +314-587-1203.
